

Dear WEE Care Parents,

Thank you for registering for WEE Care 2024-25! I wanted to go ahead and let you know a few important dates and details about WEE Care:

1. At this time, we have an almost full house for the coming year and children on the waiting list for many classes. If your plans for WEE Care have changed or change during the summer please let me know.

2. I am seeking teachers and subs. If you are interested or know anyone who is interested in teaching or subbing, please contact me. I need teachers and subs who are 18 or older with a high school diploma or GED, Christians who attend a local Bible believing church, and who would love and teach young children. God has always provided in the past and we pray that He will provide the exact people that we need!

3. Here are the dates you need to know for the beginning of the school year:

Parent Orientation for this school year will be on Sunday, August 4 from 3:30-4:30 p.m. at FBCM. This meeting will be for you as a parent to hear from the director about handbook policies and other important information. We need at least one parent to attend and you can choose not to bring your child if you can make other arrangements for them during this meeting. We will introduce your child's teacher and allow you to go to the classrooms with them to learn a little more about them and their classroom procedures.

Open House-On Monday, August 5 we will have Open House from 9:00-10:00 a.m. You may bring your child in during that time to meet their teacher and see their classroom.

WEE Care will begin on Tuesday, August 6 at 9:30 a.m. Remember to get the Church Center app on your phone for check in and check out. Also please bring in your child's blue card either Sunday, Monday or Tuesday if needed.

4. If you are new and we do not have a blue card or it has expired we will need it before your child can start WEE Care on August 6.

5. Tuition for August will be due no later than August 10. We use the Brightwheel app for billing and you can set up auto payments if you haven't already. If you set it for the first of each month that is helpful to us in processing payments.

6. I am enclosing a Supply List for the year. You can send these supplies in during the first week of school.

We look forward to having you and your children as a part of WEE Care this year! Call me if you have any questions 256-348-3531 or email at weecare@fbcmeridianville.org.

Sincerely,
Kim Hutto
WEE Care Director
