Objectives: To work in partnership with Darryl and Veronica Brunson who are church planters and pastor of Expedition Church in Livingston, Montana. We usually attend church with them on Sunday morning, prayer walk and make contacts with people on Sunday afternoon, work on projects such as construction, lawn care, food pantry, summer lunches in the park and other community projects that serve the community of Livingston. We could also be going into other communities where Darryl and his staff are looking to plant churches.

Lodging/Meals: We will stay in a VRBO rental in Livingston which has already been rented and space will be limited. (The name of the property is Lion's Ledge on VRBO – it has 5 bedrooms and 5 baths). FBCM will pay a portion of the lodging expense and the funds which are given to Darryl to purchase supplies for the projects and other expenses. Each person on the team will be asked to pay for their flight ticket, \$250 towards lodging, their meals/groceries, and souvenirs, etc. Please pay the \$250 no later than April 10 to reserve your spot for the trip. We usually purchase flight tickets in February. For our meals we usually go to the grocery store and buy breakfast and lunch items that can be prepared at the house where we stay and then eat out for dinner. We usually go into Yellowstone National Park on one of the days for sightseeing. We also split the cost of gas for the vans that we will be using.

Transportation: We will make our own flight arrangements trying to arrive in Bozeman and depart from Bozeman on the same dates and similar times if possible. Darryl usually has one or two vans at the airport for us to use for the week. We will be traveling in the vans during the week from Bozeman,, Livingston, Yellowstone, etc.

Possible Flights:

Delta from HSV to Bozeman (\$859)
Delta from Nashville to Bozeman (\$789)
United from HSV to Bozeman (\$942)
United from Nashville to Bozeman (\$682)
Southwest from Nashville to Bozeman (\$530)

Most of the flights out of Nashville are cheaper but the early departure times might require spending the night in Nashville the night before and paying for parking at the airport for the week.

Total Cost: Around \$800-1100 per person plus meals/food, etc.
